

## Lyrics of "The Greatest Wish: I Want my Dog to Live Longer"

### [Verse 1]

I wish I could... read the minds of women  
Wish I had... gills for swimmin  
Wish I had... movie star looks  
I wish I knew every ... trick in the book

### [Verse 2]

I'd like to feel... first love again  
Be twenty years... younger  
But the greatest wish... I want to come true  
I want my dog to live longer

### [Verse 3]

Wish I was the king of... rock and roll  
Wish I was cool... And in the know  
And I wish I'd wrote... blowin in the wind  
I'd like to see my late... mother again

### [Verse 4]

I'd like to stop... poverty  
Save this world... from hunger  
But the greatest wish oh... I want to come true  
I want my dog to live longer

### [Bridge]

I want my dog to live... longer  
Cause when he goes... I'll be blue  
If I had the power oh... I would have him live  
as long as ... me and you

### [Verse 5]

Cause God's got a reason... for everything  
And in the lord... I trust  
But this aint right... God needs to see the light  
Cause Dog's don't live long enough

### [Verse 6]

He cheers me up... oh when I'm sad  
He's the best friend... I've ever had  
And I don't care where his... nose has been  
I let him lick my face again and again

### [Verse 7]

His love is... unconditional  
And that just makes... me stronger  
So the greatest wish... I want to come true  
I want my dog to live longer

### [Outro]

Oh the greatest wish ... I want to come true  
I want my dog to live longer
